In re Application of  
Waheed N. Khan  
Application No. 09/902,966  
Filed: July 12, 2001  
Attorney Docket No. X-9340

This is a decision on the petition under 37 CFR 1.137(b), filed February 25, 2005, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." Petitioner is advised that this is **not** a final agency action decision.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed September 25, 2003, which set a shortened statutory period for reply of one (1) month. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on October 26, 2003.

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute, but must be the payment of the issue fee or any outstanding balance thereof in an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)). The petitions lacks item (2).

As to item (2), the fee for a petition to revive under the unintentional standard of 37 CFR 1.137(b) for a small entity is \$750. With the present petition, petitioner has only submitted \$650. Accordingly, a consideration on the merits of the present petition cannot be made until the \$100 fee deficiency is submitted to the Office.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.
